#### **PERMAI HOLDINGS, BFI DAN BSP MENANDATANGANI PERJANJIAN-PERJANJIAN UNTUK PEMBEKALAN GAS ASLI KEPADA KILANG AMMONIA/UREA BFI**

**Hari Selasa, 16 Julai 2019**

---

Permai Holdings Sdn. Bhd. (Permai), Brunei Fertilizer Industries Sdn. Bhd. (BFI) dan Brunei Shell Petroleum Company Sdn. Bhd. (BSP) telah menandatangani beberapa perjanjian bagi pembekalan gas asli kepada kilang ammonia/urea BFI yang sedang dibina di Tapak Perindustrian Sungai Liang (SPARK). Majlis penandatanganan telah diadakan hari ini 16 Julai 2019 di Indera Kayangan Ballroom di the Empire Hotel and Country Club.

Perjanjian-perjanjian tersebut telah ditandatangani oleh YM Awg Haji Khairuddin bin Haji Abdul Hamid, Setiausaha Tetap (Pelaburan) di Kementerian Kewangan dan Ekonomi, selaku Ahli Lembaga Pengarah Permai, YM Awg Mohammed S. Baderkhan, Ketua Pegawai Eksekutif BFI, dan YM Awg Yap Kong Fah, Pemangku Pengarah Urusan BSP. Penandatanganan tersebut telah disaksikan oleh YB Dato Seri Setia Dr Awang Haji Mohd Amin Liew bin Abdullah, Menteri di Jabatan Perdana Menteri dan Menteri Kewangan dan Ekonomi II, selaku Tetamu Kehormat majlis.

Turut hadir semasa majlis tersebut adalah YM Dato Seri Paduka Awang Haji Matsatejo bin Sokiaw, Timbalan Menteri Tenaga (Tenaga dan Tenaga Manusaia) dan Perindustrian, Setiausaha Setiausaha Tetap, pegawai-pegawai kanan Kerajaan, dan tetamu-tetamu yang lain.

Di bawah perjanjian-perjanjian tersebut, BSP akan membekalkan gas asli sebanyak 0.5 tcf kepada BFI bagi tempoh 20 tahun yang akan datang selaras dengan pembangunan industri hiliran minyak dan gas di Negara Brunei Darussalam dan seterusnya membolehkan manfaat-manfaat ekonomi yang berkaitan.

Kilang baja perindustrian BFI, yang sedang dibina di atas tapak 55 hektar di SPARK, dijangka akan menjadi antara kilang-kilang baja terbesar di rantau Asia Tenggara. Kilang tersebut dijangka akan mula beroperasi pada tahun 2021. Setelah beroperasi, projek tersebut dijangka akan memberikan 350 peluang pekerjaan kepada anak tempatan.

Projek kilang baja BFI tersebut merupakan salah satu usaha Kerajaan Kebawah Duli Yang Maha Mulia Sultan dan Yang Di-Pertuan Negara Brunei Darussalam untuk mempelbagaikan ekonomi dan memperkembangkan keupayaan di dalam industri-industri hiliran minyak dan gas.

Inisiatif ini adalah salah satu usaha BSP untuk bekerjasama dan menyokong perkembangan dan keupayaan ekonomi Negara Brunei Darussalam ke arah merealisasikan Wawasan Negara 2035.

#### **PERMAI HOLDINGS, BFI AND BSP INK COMMERCIAL AGREEMENTS TO SUPPLY NATURAL GAS TO BFI AMMONIA/UREA PLANT**

**Tuesday, 16 July 2019**

---

Permai Holdings Sdn. Bhd. (Permai), Brunei Fertilizer Industries Sdn. Bhd. (BFI) and Brunei Shell Petroleum Company Sdn. Bhd. (BSP) signed commercial agreements to enable supply of natural gas to BFI's urea/ammonia plant that is currently under construction at Sungai Liang Industrial Park. The signing ceremony was held today 16 July 2019, at the Indera Kayangan Ballroom at the Empire Hotel and Country Club.

Signing the agreements were YM Awang Haji Khairuddin bin Haji Abdul Hamid, Permanent Secretary (Investment) at the Ministry of Finance and Economy, as Director of Permai, Mr. Mohammed S. Baderkhan, CEO of BFI, and Mr. Yap Kong Fah, Acting Managing Director of BSP. The Guest of Honour for the event was YB Dato Seri Setia Dr Awang Haji Mohd Amin Liew bin Abdullah, Minister at the Prime Minister's Office and Minister of Finance and Economy II, who also witnessed the signing.

Also present were YM Dato Seri Paduka Awang Haji Matsatejo bin Sokiaw, Deputy Minister of Energy, Manpower and Industry, Permanent Secretaries, senior government officials and other invited guests.

Under the agreements, BSP will supply 0.5 tcf of natural gas to BFI over the next 20 years to support downstream industrial development in Brunei and enable significant associated economic benefits.

BFI's industrial fertilizer plant currently under construction at its 55-hectare site at the Sungai Liang Industrial Park, will be amongst the largest fertilizer plants in the Southeast Asia region. The project is estimated to create 350 direct employment opportunities for Bruneians once operational. The plant is expected to commence full commercial operations in 2021.

The BFI fertilizer plant is a flagship economic project and part of wider efforts by the Government of His Majesty The Sultan and Yang Di-Pertuan of Brunei Darussalam to revitalise and diversify its economy by extending further the value chain of its energy sector by developing capabilities in export-oriented downstream industries.

Supporting the successful development and operations of the BFI fertilizer project is also an important means for BSP to deliver on its mission to fuel Brunei's future and support the growth of Bruneian businesses and capabilities towards realising Brunei's Wawasan 2035.
