1. A webinar entitled “How Quality Management System Improves Your Company Performance” was held on 4<sup>th</sup> November 2021 by International Biz Net (IBN) Sendirian Berhad and TUV Rheinland, Indonesia; supported by National Standards Centre under the purview of Ministry of Finance and Economy, Brunei Darussalam.
2. Amongst the objective of the session is to establish a platform for the local automotive industry to attain and implement ISO 9001 Quality Management System particularly for Vehicle Inspection Stations (VIS) and Approved Workshop (AW) in Brunei Darussalam. Such effort will further ensure that the standards and quality in Brunei Darussalam adheres to the national and international requirements.
3. In the opening remarks of the Director of Industry and Business Ecosystem Division, YM Allen On, he emphasised on the roles carried out by National Standards Centre in setting and developing the standard requirements in Brunei Darussalam. The webinar was attended by 48 participants from the Land Transport Department (LTD), Ministry of Transport and Info-Communication; Darussalam Enterprise (DARE); Vehicle Inspection Stations (VIS) and Approved Workshops (AW).
