

PRESS RELEASE
MINISTRY OF FINANCE & ECONOMY

**MIGRATION OF e-INVOICE PORTAL TO
GOVERNMENT VENDOR PORTAL IN TAFIS**

1. Following upgrades to the Treasury Accounting and Financial Information System (TAFIS), the Treasury Department, Ministry of Finance and Economy would like to inform that beginning 1st, April, 2024, the **e-Invoice portal** has undergone a transition process and has been **converted to the Government Vendor Portal**.
2. The Government Vendor Portal is a self-service portal, which will enable interested suppliers or vendors to participate in any quotations or tenders issued by Ministries or Departments; as well as submitting claims or invoices after supplying or providing work services to any Government agency.
3. Ministries and departments **will not be able to process** any claims or orders for the supply or services rendered to the Government to any supplier that **is not yet registered** in the Government Vendor Portal.
4. Current vendors that are already registered in the e-invoice portal are required to re-register in the Government Vendor Portal as soon as possible.
5. Vendors who need assistance to register in the Government Vendor Portal may attend the vendor clinics as follows:

Date : 1st., April, 2024 until 30th., April, 2024
Time : During working hours
Venue : Meeting Room 3, Level 1,
Ministry of Finance and Economy Building

Ministry of Finance and Economy

Date: 10th April 2024
