STEPS ON EXTRACTING INFORMATION IN THE ROCBN ONLINE SYSTEM

This business service will be available to internal users only who have an account with ROCBN system. Users will be able to extract information on both Companies and Business Names. The following steps illustrate how to request for information. Note that examples used are for a business Name, however the same steps apply when extracting information for Companies.

1. Navigate to Search the Register

2. You will be presented with the following page.
    For a *Business Name*, enter the Business Name or Registration Number and select Business Names.
    For a *Company*, enter the Company Name or Incorporation Number and select Companies.

3. Click on to the Business Name and it will lead you to the Business Names details

4. Next, you will be presented with full viewing access to the Business Names Details. You may click on the item to the side tabs to search for your information.
