

**PRESS RELEASE**  
**MINISTRY OF FINANCE & ECONOMY**

**MIGRATION OF e-INVOICE PORTAL TO  
GOVERNMENT VENDOR PORTAL IN TAFIS**

1. Following upgrades to the Treasury Accounting and Financial Information System (TAFIS) system, the Treasury Department at the Ministry of Finance and Economy would like to inform that from 1st, April, 2024, the **e-Invoice portal** will undergo a transition process and will be converted to the **Government Vendor Portal**.
2. The Government Vendor Portal is a self-service portal, which will enable interested suppliers or vendors to participate in any quotations or tenders issued by Ministries or Departments; as well as submitting claims or invoices after supplying or providing work services to any Government agency.
3. Vendors are required to self-register online in order to access the Government Vendor Portal. Vendors who are already registered in the e-invoice portal are also required to register in the Government Vendor Portal.
4. Therefore, the relevant vendors are advised to register in the Government Vendor Portal as soon as possible. Vendors who need assistance to register in the Government Vendor Portal may attend the vendor clinics as follows:

Date : 1st., April, 2024 until 30th., April, 2024
